Obama set to announce 'practical' agenda focusing on immigration, income equality

President Barack Obama is expected to announce a new set of policies aimed at addressing immigration, income inequality and other issues, according to a senior administration official. The president is expected to make the announcement in the next few weeks, the official said. The new policies are expected to be more "practical" than the ones announced in 2009, the official said. They are expected to focus on issues such as immigration, income inequality, and job creation. The president is expected to announce the policies in a speech to Congress. The official said that the president is expected to announce the policies in a speech to Congress. The official said that the president is expected to announce the policies in a speech to Congress.
