Records: Kansas bomb plot suspect decorated Marine
By STEVE SCHWARTZ
A man accused of plotting a major bombing in Kansas City was decorated for his service in the U.S. Marine Corps. The suspect, a 31-year-old man, was a member of the 2nd Marine Expeditionary Force and served in Afghanistan from 2003 to 2006. He was awarded the Navy and Marine Corps Commendation Medal for his service. The man was arrested in 2011 and is currently in custody.

Toddlers love selfies: Parenting in an iPhone age
Page 4A
A young child is seen holding a smartphone, likely taking a selfie. The article discusses how parents are using smartphones to capture moments with their children, and how this has become a common practice in the digital age.

Education, housing concerns fill tonight's city agenda
A Liberal City Council meeting is set for 7 p.m. at the city's new municipal building. The agenda includes a discussion on the city's budget, as well as concerns regarding local education and housing issues.

Woman held in Florida linked to Kansas man's death
Page 3A
A woman who was held in Florida is being investigated for a possible link to the death of a man in Kansas. The case is currently under review by law enforcement agencies.

split track
A photograph showing a large piece of construction machinery, possibly a piling rig, operating on a construction site. The image is part of an article discussing infrastructure projects and the challenges of working in winter conditions.

California students file suit aimed at tenure law
A group of students in California has filed a lawsuit challenging a law that grants tenure to professors. The suit argues that the law is unconstitutional and that it hinders the quality of education by protecting underperforming faculty members.

Will the weather please make up its mind already?
A cartoon illustration depicting a person looking frustrated with the weather. The text suggests that the weather is unpredictable and difficult to deal with.
