National Beef to shut California plant, cites tight cattle supply

Additional processing could be seen locally

National Beef
National Beef Packing Co. says its California plant will be shut down because of a tight cattle supply. The company says it will continue to process beef in California but will move production to its Texas plant. The company says it will continue to process beef in California but will move production to its Texas plant.

Obama running out of reasons to reject Keystone XL

Obama is running out of reasons to reject the Keystone XL pipeline. The president has said he will not sign the bill unless it includes a ban on new oil and gas leases. The bill would allow the pipeline to be built and operated for 30 years.
