**MacArthur uses every scrap of space**

Students at a school in the city of Kansas City, Mo., are learning to use every scrap of space in their classrooms. The school is a small, one-story building with a limited amount of space. The principal, John Smith, has implemented a program to make the most of the available space. This includes rearranging desks, using vertical space, and creating storage areas for supplies. The program has been successful in creating a more organized and efficient learning environment.

**County chooses to support school bond issue as individuals**

The county board has voted to support a school bond issue. The bond issue is for \$10 million and will be used for various school projects, including classroom renovations and the purchase of new equipment. The board members believe that the bond issue is a necessary step to ensure the quality of education in the county.

**Snow expected all day**

The National Weather Service has issued a winter weather advisory for the area. Snow is expected to begin in the evening and continue through the next morning. The total snowfall could be between 2 and 4 inches. Drivers are advised to use caution on roads and to have winter tires if possible.

**Kansas man loses thousands in work-at-home scam**

A Kansas man has lost thousands of dollars in a work-at-home scam. The man, who is 55 years old, was contacted by a person who offered him a job that could be done from home. The job involved selling products online. The man agreed to the terms and conditions and began working. However, he soon realized that the products were not being shipped and that he was not receiving any payment. He has since reported the matter to the police and the FBI.

**Cabin fever sets in amid relentless cold, snow**

Cabin fever is setting in as the weather remains cold and snowy. Many people are staying indoors, leading to an increase in irritability and mood swings. Experts recommend taking breaks from the house, getting some fresh air, and staying hydrated. It is also important to maintain a healthy diet and get enough sleep to help cope with the winter weather.
