Finalists announced

MacArthur uses every scrap of space

Students at a school in the city of MacArthur, Kan., are using every scrap of space to make the most of their classrooms. The school is a small, one-story building with a limited amount of space. The students are using the walls, the floor, and the ceiling to display their work and projects. This is a great example of how to make the most of a limited space.

County chooses to support school bond issue as individuals

The National Weather Service has issued a forecast for the day, predicting a snowfall of 2 to 4 inches. The snow is expected to begin in the morning and continue through the day. This could cause some travel issues, so it's best to plan ahead if you need to travel.

Kansas man loses thousands in work-at-home scam

A man from Kansas has lost thousands of dollars in a work-at-home scam. The man was contacted by a person who offered him a job that could be done from home. The man agreed to the job and was asked to pay a fee to get started. After paying the fee, the man was told that he needed to pay more money to get the job. The man eventually realized that this was a scam and lost thousands of dollars.

Cabin fever sets in amid relentless cold, snow

Cabin fever is setting in as the weather remains cold and snowy. Many people are staying indoors, which can lead to irritability and mood swings. It's important to take breaks and get some fresh air when possible. Staying hydrated and eating healthy can also help with cabin fever.
