District looks at land for bond issue

"We have to be responsible and negotiate for the very best prices possible, because it isn't the district's money we're building around. It's the taxpayers' money."

Congressional analysts say health care law means fewer on job

WASHINGTON (AP) — Congressional analysts say the health care law passed last year will mean fewer jobs in the private sector over the next few years. The analysts say the law will reduce the number of people working in the private sector by about 2 million over the next five years.
