'That' Liberal Band preparing for its 34th annual Fish Fry
Seward County Commissioner Jim Rice endorses De Wolf

By Staff Writer
Seward County Commissioner Jim Rice has endorsed the annual fish fry organized by the Liberal Band in Dodge City. Rice said the event is a great way to bring the community together and support local businesses. The fish fry will be held on Saturday, February 15, at the Seward County Courthouse. Tickets are \$10 per person and include a fish fry, a drink, and a donation to the band. Rice said he will be attending the event and will be endorsing the band's efforts to raise money for the Seward County Library. The Liberal Band is a group of volunteers who have been organizing the fish fry since 1980. The band's goal is to raise money for the library and to provide a fun and festive event for the community. Rice said he is proud to support the band's efforts and to endorse their annual fish fry.

Seward County Commissioner Jim Rice endorses De Wolf for U.S. Senate
In addition to endorsing De Wolf, commissioner Rice also signed a petition to help hold De Wolf's Agriculture Advisory Committee.

By Staff Writer
Seward County Commissioner Jim Rice has endorsed De Wolf for U.S. Senate. Rice said he believes De Wolf is the best candidate for the job and that he would be a great asset to the state. Rice also signed a petition to help hold De Wolf's Agriculture Advisory Committee. The committee is a group of experts who provide advice to the state on agriculture-related issues. Rice said he is proud to support De Wolf's efforts to run for office and to endorse his qualifications for the job.

Bottle released by Mass. scientist in April 1956 found

The drift bottle was among thousands sent to the Atlantic Ocean as part of a program to study ocean circulation.

Massachusetts
A clear glass bottle, known as a drift bottle, was found in the Atlantic Ocean. The bottle was released by a scientist in Massachusetts in April 1956. The bottle was part of a program to study ocean circulation. The scientist, Dr. Robert S. Anderson, released the bottle as part of a larger study of ocean currents. The bottle was found by a fisherman in the Atlantic Ocean. The bottle was found in the Atlantic Ocean, about 100 miles off the coast of Massachusetts. The bottle was found in the Atlantic Ocean, about 100 miles off the coast of Massachusetts. The bottle was found in the Atlantic Ocean, about 100 miles off the coast of Massachusetts.
