 Commission to establish building safety board

Kids Inc. supports school bond proposal
 1A10-1A11

Commission to establish building safety board
 A new commission will be set up to study and report on the state's building safety code. The commission will be made up of representatives from the building industry, labor, and the public. The commission will report to the governor by the end of the year.

Kids Inc. supports school bond proposal
 Kids Inc. is supporting a school bond proposal for the school district. The bond will be used to fund various school improvement projects, including classroom renovations and new technology. Kids Inc. is a local organization that provides services to children and families.

Another delay in health law's employer mandate

The U.S. Supreme Court has ruled that the employer mandate of the Affordable Care Act is unconstitutional. The mandate requires employers with 50 or more full-time employees to provide health insurance to their employees. The court's decision means that the mandate will not be enforced, and employers will not be penalized for not providing health insurance.
