 Commission to establish building safety board

Kids Inc. supports school bond proposal
 1A10-10P

Commission to establish building safety board
 A new commission will be set up to study the safety of buildings in the city of Liberty, Ky. The commission will be headed by Mayor Tommie Williams and will include representatives from the city council, the fire department, the police department, and the community. The commission will report back to the city council in the next few months.

Kids Inc. supports school bond proposal
 Kids Inc. is supporting a school bond proposal that would allow the city to raise money for a new school building. The bond proposal is being put to a vote in the next few weeks. Kids Inc. believes that a new school building is needed to provide a better education for the children of Liberty.

Another delay in health law's employer mandate
 The employer mandate of the Affordable Care Act has been delayed again. The Department of Health and Human Services has announced that the mandate will now take effect in 2015, instead of 2014. This delay gives employers more time to prepare for the new requirements.
