 Commission to establish building safety board

**Kids Inc. supports school bond proposal**  
 1A10-10A11

**Commission to establish building safety board**  
 A new commission will be set up to study the safety of buildings in the city and recommend ways to improve them. The commission will be headed by Mayor Michael Hancock and will include representatives from the city, state and federal governments. The commission will report its findings to the city council by the end of the year.

**Kids Inc. supports school bond proposal**  
 Kids Inc. is supporting a school bond proposal that would allow the city to raise money for school improvements. The bond would be used for a variety of projects, including classroom renovations, new classrooms, and other school facilities. Kids Inc. believes that these improvements are essential for providing a high-quality education for all students.
