Whereas the huge piece of equipment headed Saturday after it made its way through Liberia! Page 4A

County to get update on prairie chicken listing
By the Staff
The U.S. Fish and Wildlife Service (USFWS) is expected to announce whether the prairie chicken should be listed as an endangered species. The USFWS is currently reviewing the status of the prairie chicken, a bird that is native to the Great Plains region of the United States. The prairie chicken is a ground-dwelling bird that is known for its distinctive call, which sounds like a series of "chicken" sounds. John Kerry mocks those who deny climate change
By the Staff
U.S. Secretary of State John Kerry has mocked those who deny climate change. He said that those who deny climate change are "in denial" and that they are "ignoring the science." Kerry said that climate change is a real and serious threat to the world, and that we need to take action to address it.
