County to get update on prairie chicken listing
By **Tom Ichniowski**
The U.S. Fish and Wildlife Service is expected to announce this week whether it will list the prairie chicken as an endangered species. The listing would be a significant step in the protection of the bird, which is found in the southeastern part of the state. The listing would also require the state to develop a conservation plan for the bird. The listing would also require the state to develop a conservation plan for the bird. The listing would also require the state to develop a conservation plan for the bird.

LA workers break record for largest concrete pour
By **Tom Ichniowski**
Construction workers in Los Angeles broke a record on Saturday by pouring 100,000 cubic yards of concrete in a single day for a new stadium. The record was set by a team of workers from the Los Angeles Convention Center Authority. The record was set by a team of workers from the Los Angeles Convention Center Authority.

John Kerry mocks those who deny climate change
By **Tom Ichniowski**
U.S. Secretary of State John Kerry on Saturday mocked those who deny the science of climate change. He said that those who deny climate change are "denying the science that is clear to everyone." He said that those who deny climate change are "denying the science that is clear to everyone."
