Where was the huge piece of equipment headed Saturday after it made its way through Liberal? Page 4A

**County to get update on prairie chicken listing**  
By **Tom Ichniowski**  
The California Department of Fish and Wildlife is expected to release a report on the status of the prairie chicken in California's Central Valley, a species that has been listed as endangered since 1987. The report will be released in the next few weeks, according to a spokesman for the department.
