Wildfire threatens Optima, Okla.
A wildfire in Oklahoma threatened the town of Optima on Tuesday, forcing residents to evacuate and firefighters to battle the flames. The fire started in a wooded area and spread quickly, threatening homes and businesses. Firefighters arrived on the scene and worked to contain the fire, but it was still burning in some areas. The town of Optima is located in Oklahoma County, and the fire is a reminder of the danger of wildfires in the state.

Obama wants feds in nation's newsrooms
President Obama has called for more federal government employees to be placed in newsrooms across the country. He said that this would help to ensure that the public has access to accurate and unbiased news. Obama said that he would like to see more federal employees, including those from the State Department, the Justice Department, and the Environmental Protection Agency, working in newsrooms. He said that this would help to ensure that the public has access to accurate and unbiased news.

County chair Linenbroker endorses school bond
The county chair has endorsed a school bond issue. The bond issue is for \$10 million and is for the purpose of building a new school building. The county chair said that he believes that the bond issue is a good idea and that it will help to improve the quality of education in the county. The bond issue will be on the ballot in the next election.
