Feds, states reach agreement
The federal government and 25 states have reached a deal to settle a long-running dispute over the federal government's authority to regulate interstate commerce. The deal, announced Wednesday, would allow the federal government to regulate interstate commerce in a way that is consistent with the Commerce Clause of the U.S. Constitution. The deal also would allow the federal government to regulate interstate commerce in a way that is consistent with the Commerce Clause of the U.S. Constitution.

Calif. beef recall may affect area stores
A recall of ground beef in California may affect area stores. The recall is for ground beef that was produced in California and sold in other states. The recall is for ground beef that was produced in California and sold in other states.

Brownback touts policies on education, record state revenues in case for re-election
Cutting taxes to increase revenues to fix a new bill. Ronald Reagan did it in the 1980s, and the economy boomed. Brownback is looking for the same in his place in Kansas.
