LYP endorses bond proposal
The Liberal Youth Parliament (LYP) has endorsed a bond proposal for the construction of a new building. The building would be used for various purposes, including housing and community services. The LYP believes that the bond proposal is a viable option for the community and has expressed its support for the proposal.

Feds list lesser prairie chicken as threatened
The U.S. Fish and Wildlife Service (FWS) has listed the lesser prairie chicken as a threatened species. The listing is based on the bird's declining population and the loss of its natural habitat. The FWS is working to develop a recovery plan for the species, which includes habitat restoration and conservation efforts.
