Kan. Senate passes expanded school funding plan

State says 'NO' to

Building Common Core

By GUY LAWRENCE
Lawrence

Senators in the Kansas Senate chamber on Wednesday, April 2, 2014, as they vote on a measure to expand school funding. The measure would increase the state's share of school costs from 10 percent to 15 percent, and would also increase the state's share of the cost of the state's public schools from 10 percent to 15 percent. The measure would also increase the state's share of the cost of the state's public schools from 10 percent to 15 percent.

The Kansas Senate on Wednesday passed a measure to expand school funding, a move that would increase the state's share of school costs from 10 percent to 15 percent. The measure would also increase the state's share of the cost of the state's public schools from 10 percent to 15 percent. The measure would also increase the state's share of the cost of the state's public schools from 10 percent to 15 percent.

Water rates in Salina aimed at keeping precious commodity
