	78.65%
	No — 529
	21.35%

Bond supporters 'blown away' by margin of approval
'A sea change for the community'

By JENNIFER COOPER
After the November election, it was a relief for many in the community to see the school board's bond proposal approved by a large margin. "We were blown away by the support," said Board President Tom Petty. "This is a sea change for the community."

Rep. Petty votes 'no' on school funding bill

After the House passed a bill to increase state funding for schools, Rep. Tom Petty (R-Mo.) voted "no." Petty said he was concerned about the impact on the state's budget.
