Coronado exhibit features Mexican immigration
 New exhibit scheduled to open May 3
 By Kurt Owen
 Liberal, Kan. — The Coronado Museum is pleased to announce a new exhibit, "Mexican Immigration: A Journey of Faith and Hope," which will open on May 3. The exhibit, which is a collaboration between the museum and the National Museum of Mexican Art in Chicago, features a variety of artifacts, including clothing, photographs, and documents, that tell the story of Mexican immigrants who came to the United States in search of a better life. The exhibit will run through June 15.

TAX DAY ALERT
Ca. judge asked to stop new Vidalia onion rule
 By Kurt Owen
 Liberal, Kan. — A California judge has asked the U.S. Supreme Court to stop a new rule that would allow California to tax Vidalia onions from other states. The rule, which was passed by the California legislature last year, would allow the state to tax onions that are grown in other states but sold in California. The rule is being challenged by onion growers in other states, who argue that it is an unfair trade barrier. The Supreme Court is expected to hear the case in the fall.

IRS reiterates warning of pervasive telephone scam
 By Kurt Owen
 Liberal, Kan. — The Internal Revenue Service (IRS) has reiterated its warning of a pervasive telephone scam that has been plaguing taxpayers. The scam involves a caller who claims to be from the IRS and asks for personal information, such as a Social Security number and a bank account number. The caller then threatens to take the taxpayer's money or file a tax lien against them. The IRS has advised taxpayers to be cautious of such calls and to hang up if they are unsure of the caller's identity. Taxpayers should always call the IRS directly if they have any questions about their taxes.

Discarded cigarettes cause fires in Guymon
 By Kurt Owen
 Liberal, Kan. — Discarded cigarettes are causing fires in Guymon, Kan. The fires are being caused by discarded cigarettes that are left lying around in homes and businesses. The fires are often small at first, but they can quickly get out of control. The Guymon Fire Department has received several calls about fires caused by discarded cigarettes. The department has advised residents to be careful with their cigarettes and to dispose of them properly. Residents should never throw a lit cigarette into a trash can or a fireproof safe. They should also make sure that their cigarettes are completely extinguished before they are thrown away.

IRS gave House Dems info on targeted conservative group, emails show
 By Kurt Owen
 Liberal, Kan. — The Internal Revenue Service (IRS) gave House Democrats information about a targeted conservative group, according to emails that have been released. The emails show that the IRS provided information about the group's activities and its financial situation. The information was provided to House Democrats in response to a request for information. The IRS has denied the request, claiming that the information is confidential. The release of the emails has caused controversy, as it appears that the IRS was providing information to one side of the political spectrum. The IRS has stated that it is committed to providing information to all sides of the political spectrum.

Family, friends remember Kansas shooting victims
 By Kurt Owen
 Liberal, Kan. — Family and friends are remembering the victims of a shooting in Kansas. The shooting took place in a public area and resulted in the deaths of several people. The victims were from various parts of the state and were of different ages. The shooting has caused a great deal of grief and sorrow for the families and friends of the victims. The community is coming together to support the families and friends of the victims. There are several memorial services being held in the area. The community is also working to prevent such shootings from happening again.
