Liberal man dies in early Sunday morning wreck
A Liberal man died Sunday morning after his car rolled over on the road, police said. The man, 48, was driving on the road when the accident occurred. The car rolled over and caught fire. The man was pronounced dead at the scene. The cause of the accident is still under investigation.

Saints salute class of 2014 graduates
The St. Ignace Catholic Church celebrated the graduation of the class of 2014. The ceremony was held in the church's sanctuary and was attended by family and friends. The graduates were presented with diplomas and certificates. The church also provided a luncheon for the graduates and their families.

Maine woman, 80, goes skydiving on Mother's Day
A Maine woman, 80, went skydiving on Mother's Day. She was the first woman to skydive in the state. She was accompanied by her son and daughter. The skydive was a success and she was safely landed. She said she had always wanted to skydive and this was her chance.

Family tests Kan. water law, claims impairment
A family in Kansas is testing a new water law. They claim that the law is causing impairment to their water supply. They are suing the state for damages. The law allows for the construction of new dams and reservoirs. The family claims that these structures are blocking the flow of water and causing it to become contaminated.

Kansas considers revised permit for coal plant
Kansas is considering a revised permit for a coal plant. The permit would allow for the construction of a new coal plant. The plant would be used for power generation. The permit also allows for the construction of a new transmission line. The plant is expected to be completed in 2015.
