Food safety aim of ServSafe program

By Robert Noyce
SERVSAFE

Food safety is a top priority for many businesses, and the ServSafe program is designed to help them achieve that goal. The program provides food safety training for employees, and is recognized by the FDA as a national standard. The program is available for all types of food service establishments, and is designed to be flexible and easy to implement. For more information, visit www.servsafe.com.

County is well prepared if E. coli breaks out

By Robert Noyce
SALISBURY

The Salisbury Health Department is confident that the county is well prepared to handle an outbreak of E. coli. The department has a comprehensive plan in place, including a rapid response team and a public information campaign. The plan includes measures to identify and isolate cases, as well as to prevent further spread of the bacteria. For more information, visit www.salisburyhealth.com.

Double drowning in Beaver County lake

By Robert Noyce
SALISBURY

Two young boys were found dead in a lake in Beaver County on Tuesday. The boys were found floating in the water, and their bodies were recovered by a search party. The incident is being investigated by the local police department. For more information, visit www.beavercounty.com.

RoboCop throws out 1st pitch

By Robert Noyce
SALISBURY

A RoboCop mascot threw out the first pitch at a baseball game on Tuesday. The mascot, a full-sized robot, was dressed in a baseball uniform and threw the pitch to the pitcher. The game was a home opener for the local team. For more information, visit www.salisbury.com.
