### Food safety aim of ServSafe program

**By Robert Noyes**  
SERVSAFE

Food safety is a top priority for many businesses, and the ServSafe program is designed to help them achieve that goal. The program provides food safety training for employees, which is required by health departments in many jurisdictions. The program is based on the ServSafe Food Protection Manager Certification exam, which is a nationally recognized standard for food safety training.

### County is well prepared if E. coli breaks out

**By Robert Noyes**  
SERVSAFE

The health department is well prepared to handle an outbreak of E. coli, according to a recent report. The department has implemented a number of measures to prevent outbreaks, including regular inspections of food service establishments and the implementation of the ServSafe program. The department also has a rapid response team in place to investigate and control outbreaks.

### Double drowning in Beaver County lake

**By Robert Noyes**  
SERVSAFE

Authorities are still searching for a 5-year-old boy who was found dead in a lake in Beaver County. The boy was last seen on June 1st, and his body was found on June 3rd. The search for the boy has been ongoing, and authorities are hoping that someone has seen him.

### RoboCop throws out 1st pitch

**By Robert Noyes**  
SERVSAFE

A RoboCop mascot threw the first pitch at a baseball game in Beaver County. The mascot, which is a police officer in a robot suit, was cheered on by the crowd. The game was a home opener for the local team.
